

**INDEPENDENT AUDITOR'S REPORT**

**To the Members of VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED (FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)**

**Report on the audit of the Ind AS Financial Statements****Opinion**

We have audited the Ind AS Financial Statements of **VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED (FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2024 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Ind AS Financial Statements, including a summary of material accounting policy information and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2024 and its Profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information other than the Ind AS Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

### **Responsibility of Management and Those Charged with Governance for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the Paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014. Further, we are unable to comment on whether the back-up of software/applications, which form part of the books of account and other relevant books and papers in electronic mode, has been maintained on servers physically located in India on a daily basis due to lack of availability of sufficient information/evidence.

- c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with related rules as amended from time to time.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- g) With respect to the adequacy of the internal financial controls with reference to Ind AS Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" which expresses an unmodified opinion.
- h) With respect to the Other Matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has no pending litigation which would impact its financial position except those which are disclosed in the financial statements;
  - ii. The Company does not envisage any material foreseeable losses in long-term contracts including derivative contract requiring provision;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv.
    - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
    - c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that the feature of recording audit trail was not enabled (i) at the database level to log any direct data changes and (ii) at the application level for certain tables/fields relating to significant processes of the Company. Further, where audit trail (edit log) facility was enabled and operated throughout the year, we did not come across any instance of audit trail feature being tampered with.

Further, as proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any managerial remuneration during the year.

**Annexure 'A' to the Independent Auditor's Report of VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED (FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED) for the Year ended as on 31<sup>st</sup> March, 2024**

**Annexure referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date: -**

**To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:**

- i. In respect of the Company's Property, Plant and Equipment, Right-of-use Assets and Intangible Assets:
  - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
  
(B) The Company has maintained proper records showing full particulars of Intangible Assets.
  - b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified by the management in a phased periodic manner. In accordance with this programme, Property, Plant and Equipment were verified at regular Intervals and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - c) The Company has no immovable properties other than properties where the Company is the lessee. Hence, reporting under paragraph 3(i)(c) of the Order is not applicable to the Company.
  - d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or Intangible Assets during the year. Hence, reporting under paragraph 3(i)(d) of the Order is not applicable to the Company.
  - e) There are no proceedings which have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder. Hence, reporting under paragraph 3(i)(e) of the Order is not applicable to the Company.
- ii. a) The Company is engaged in the business of infrastructure development, operations and its maintenance and there is no inventory in hand at any point in time. Hence, reporting under paragraph 3(ii)(a) of the Order is not applicable to the Company.  
  
b) The Company has not been sanctioned any working capital limits, from banks or financial institutions on the basis of security of current assets. Hence, reporting under paragraph 3(ii) (b) of the Order is not applicable to the Company.
- iii. The Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Hence, reporting under paragraph 3(iii) of the Order is not applicable to the Company.
- iv. The Company has not entered into any transaction in respect of loans, investments, guarantee and securities, which attracts compliance to the provisions of the sections 185

and 186 of the Companies Act, 2013. Hence, reporting under paragraph 3(iv) of the Order is not applicable to the Company.

- v. The Company has not accepted deposits or amounts which are deemed to be deposits and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under. Hence, reporting under paragraph 3(v) of the Order is not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company prescribed by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the Company and we are of the opinion that prima-facie the prescribed records have been maintained. We have, however, not made a detailed examination of the cost records with the view to determine whether they are accurate or complete.
- vii. In respect of statutory dues:
  - a) The Company has been generally regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. As on 31<sup>st</sup> March, 2024, there are no undisputed statutory dues payables for period exceeding for a period more than six month from the date they become payable.
  - b) There are no statutory dues referred to in sub-clause (a) have not been deposited on account of any dispute other than those mentioned below:

Nature of the Statute	Nature of the dues	Forum where Dispute is Pending	Period to which the amount relates	Amount in Rs.
Income Tax Act, 1961	Income Tax	High Court (Punjab and Haryana)	FY 2017-18 AY 2018-19	138,09,90,110*

\*(Net of TDS adjustment of Rs. 4,14,91,120.00)

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. In respect to the borrowings:
  - a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
  - b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - c) The Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
  - d) On an overall examination of the Ind AS Financial Statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- e) On an overall examination of the Ind AS Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x. a) The Company has not raised the money by way of initial public offer/ further public offer (including debt instruments) during the year.  
b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Hence, reporting under paragraph 3(x)(b) of the Order is not applicable to the Company.
- xi. a) According to the information and explanations given to us by the management which have been relied by us, there were no frauds on or by the Company noticed or reported during the period under audit.  
b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.  
c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company. Hence, reporting under paragraph 3(xii) of the Order is not applicable to the Company.
- xiii. All transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the Ind AS Financial Statements as required by the applicable accounting standards.
- xiv. a) In our opinion and based on our examination, the Company has an adequate internal audit system commensurate with the size and nature of its business.  
b) We have considered the internal audit reports of the Company issued till date, for the period under audit, in determining the nature, timing and extent of our audit procedures.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 is not applicable to the Company.
- xvi. a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Hence, reporting under paragraph 3(xvi) (a) of the Order is not applicable to the Company.  
b) The Company has not conducted any Non-Banking Financial or Housing Finance activities. Hence, reporting under paragraph 3(xvi) (b) of the Order is not applicable to the Company.  
c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, reporting under paragraph 3(xvi)(c) of the Order is not applicable to the Company.

- d) The Group does not have more than one CIC as a part of its Group. Hence, the provisions stated in paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the current financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly reporting under this clause is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Ind AS Financial Statements and further strengthened by Corporate guarantee and Pledge of Equity shares provided by the Parent Company to meet its liabilities as and when they fall due and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date.
- We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In respect of other than ongoing projects, the company has transferred unspent amount to a Fund specified in Schedule VII to the Companies Act, 2013 within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.
- xxi. Paragraph 3(xxi) of the Order is not applicable to the Company as the Ind Financial Statements under reporting are not consolidated Ind AS Financial Statements.

**ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT  
(Referred to in our Report of even date)****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to Ind AS Financial Statements of **VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED (FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)** ("the Company") as of 31<sup>st</sup> March, 2024 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Ind AS Financial Statements issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Ind AS Financial Statements.

**Meaning of Internal Financial Controls with reference to Ind AS Financial Statements**

A Company's internal financial control with reference to Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Financial Statements.

**Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Ind AS Financial Statements and such internal financial controls with reference to Ind AS Financial Statements were operating effectively as at 31<sup>st</sup> March, 2024, based on the internal control with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to Ind AS Financial Statements issued by the Institute of Chartered Accountants of India.

(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)

Notes to financial statements as at and for the year ended March 31, 2024

### 1 Corporate Information

The Company has been awarded the Project of Six Lining of Varanasi – Aurangabad Section of NH-2 from KM 786.00 to KM 978.400 (Length-192.400 KM) in the state of Uttar Pradesh and Bihar to be executed on Design, Build, Finance, Operate and Transfer (DBFOT) basis. The Concession Agreement was executed between the Company and National Highways Authority of India on 30th July, 2010. The Concession Period is of 30 years which shall end on 11th September, 2041. There was delays on the part of NHAI for providing the right of way (ROW) required for the construction. Accordingly, a supplementary agreement to this agreement was also entered into by the Company and NHAI on 19th January, 2015.

As per supplementary concession agreement signed, out of required ROW for construction of 192.4KM stretch, NHAI could provide ROW in discontinuous stretches for construction of 113.38 KM of road stretch which the company has completed on 28th February 2019.

Independent Engineer of NHAI has confirmed completion of 113.38 KM (out of 192.40 KM) without BC and Miscellaneous work till 28th February, 2019 vide their letter no. ICT: V-A: 100: TL: Con: 5002 dated 25th April, 2019.

Accordingly, the Company has capitalized Intangible Assets under Service Concession Arrangement for 113.38 Km and started recognizing the "Operation Income" & "Operation Expenses" in the statement of profit and loss with effect from 1st March 2019.

Further, the Company has signed Settlement Agreement dated 19 August, 2021 with NHAI through amicable settlement principle suggested by Conciliation Committees of Independent Experts (CCIE). As per settlement agreement, for completion of the balance work Extension of time (EOT) shall be granted for 27 months from the date of signing of the Settlement Agreement. The parties shall make a joint site verification and whatever encumbrance free land is not available shall be de-scoped from the Project. For the de-scoped part, the negative Change of Scope (COS) shall be computed in accordance with Clause 16.6. of the Concession Agreement, on the basis of the current SOR.

Further, Independent Engineer of NHAI has confirmed completion of 139.07 KM (without BC and Miscellaneous work) till 31st March 2023 including additional length of 24.64 KM (without BC and Miscellaneous work) completed from date of settlement agreement till 31st March 2023 as achievement of milestone -I and length of 8.98 KM descope due to non-availability and deemed to have been completed upon payment of negative COS as per Clause 16.6.1 of concession agreement vide their letter no. LNM/PD/NHAI/V-A/2023-24/0121 dated 27th April, 2023.

Accordingly, the Company has further capitalized cost of balance work and cost of descope work as Intangible Assets under Service Concession Arrangement as on 31st March 2023.

As per Settlement Agreement dated 19 August, 2021 with NHAI, Milestone -II target physical progress (75% of balance work) is to be completed within 21 months from date of signing of agreement i.e 31st December 2023. However, independent engineer of NHAI vide their letter no. LNMIPPL/PD/NHAI/Varanasi-Aurangabad/2023-24/non dated 29th April 2024 has confirmed achievement of milestone -II within period of 90 days of milestone date, as per article 12.4.2 of concession agreement, on 30.03.2024

Further, the company has signed supplementary Agreement with NHAI on 23.02.2024 regarding change in shareholding i.e. transfer of entire equity shares held by Soma Enterprise Limited and Soma Tollways Private Limited (collectively "Soma Group"), in the paid-up equity share capital of the company and comprising of 50.00% (fifty percent) of the total paid up equity share capital of the Company, to Indus Concessions Infra Private Limited (a group company of Roadis Concesiones, S.L.U.) pursuant to NHAI approval letter dated 18th December, 2023, bearing reference number NHAI/BOT/DGM(F)/SHARE TRANSFER/Varanasi Aurangabad/2023/583 subject to certain terms and conditions as mentioned in the NHAI and such change in shareholding is also approved by lenders of the company.

Further, the Company has signed Settlement Agreement dated 8th April, 2024 with NHAI through amicable settlement principle suggested by Conciliation Committees of Independent Experts (CCIE) to settle issue of extension of time. As per settlement agreement, both the parties agreed that Extension of time read with provisions of clause 12.4 of Concession Agreement for project completion, shall be following :

S.No.	Milestone	Physical Progress	Stipulated Dates	Revised Dates
1	I	35%	18.08.2022	31.03.2023
2	II	75%	18.05.2023	31.12.2023
3	III	100%	18.11.2023	30.06.2024

In order to give Covid-19 relief to concessionaire, Ministry of Road Transport & Highway vide its circular/letter no Covid-19/RoadMap/JS(H)/2020 dated June 3, 2020 & NHAI Policy no 18.46/2020 dated June 22, 2020 has proposed to be extended concession period to three months.

The Company will consider the extended concession period whenever letter of extension will be received from NHAI.

### 2 Significant Accounting Policies

#### 2.01 Basis of preparation

##### (a) Compliance with Ind AS

The Company's financial statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

**VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED**  
(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)

Notes to financial statements as at and for the year ended March 31, 2024

**(b) Basis of measurement**

The financial statements have been prepared on a historical cost basis, except for the following items

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/liability	Fair value of plan assets (if any) less present value of defined benefit obligations
Assets held for sale	fair value less costs to sell

**(c) Use of estimates and judgments**

The preparation of these financial statements in conformity with IndAS requires the management to make estimates and assumptions considered in the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialize. Estimates include the useful lives of property plant and equipment and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, provisions for resurfacing obligations, fair value measurement etc.

**(d) Measurement of fair values**

A number of accounting policies and disclosures require the measurement of fair values for both financial and non-financial assets and liabilities. Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date
- Level 2 inputs other than quoted prices included in Level 1, that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- Level 3 inputs for the asset or liability that are not based on observable market data (unobservable inputs).

**2.02 Presentation of financial statements**

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

The standalone financial statements are presented in INR which is also Companies Functional Currency and all values are rounded to the nearest lakhs, except otherwise indicated.

**2.03 Revenue recognition**

- a) The Company has adopted Ind AS 115 "Revenue from Contracts with Customers" with the date of initial application being April 1, 2018. Ind AS 115, revenue from contracts with customers, mandatory for reporting period beginning on or after April 1, 2018 replaced existing revenue recognition requirements i.e. Ind AS 18 Revenue Recognition and Ind AS 11 Construction Contracts. There were no significant adjustments required to the retained earnings as on April 1, 2018.

- b) Accordingly, the policy for Revenue is amended as under:

The Company derives revenue primarily from toll collection and other miscellaneous construction contracts. Toll collections from the users of the infrastructure facility constructed by the Company under the Service Concession Arrangement is accounted for based on completion of the performance obligation which largely coincides with actual toll collection from the user. Revenue from sale of smart cards is accounted on recharge basis. To recognize revenue, the Company applies the following five step approach: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligation in the contract, and (5) recognize revenue when a performance obligation is satisfied. Revenue from sale of smart cards is accounted on cash basis.

At contract inception, the Company assesses its promise to transfer services to a customer to identify separate performance obligations. The Company applies judgment to determine whether each service promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised services are combined and accounted as a single performance obligation. For performance obligations where control is transferred over time, revenue are recognized by measuring progress towards completion of the performance obligation. The selection of the method to measure progress towards completion requires judgment and is based on the nature of the services to be provided. The method for recognizing revenues and cost depends on the nature of the services rendered.

(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)

Notes to financial statements as at and for the year ended March 31, 2024

c) **Others**

i) Insurance and other claims are recognized as revenue on virtual certainty of receipt basis.

ii) Dividend income is recognized when the right to receive is established. Other items of income are accounted as and when the right to receive arises and recovery is certain.

**2.04 Cash and bank balances**

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term highly liquid investments being not free from more than insignificant risk of change are not included as part of cash and cash equivalents. Bank overdrafts which are part of the cash management process is included as part of cash and cash equivalents.

**2.05 Cash flow statement**

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit/(loss) is adjusted for the effects of:

(a) transactions of a non-cash nature;

(b) any deferrals or accruals of past or future operating cash receipts or payments and,

(c) all other items of income or expense associated with investing or financing cash flows.

The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.

**2.06 Current & Non Current classification :**

Current Asset :

An asset shall be classified as current when it satisfies any of the following criteria:

(a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;

(b) it is held primarily for the purpose of being traded.

(c) It is expected to be realized within twelve months after the reporting date, or

(d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

Current Liabilities:

A liability shall be classified as current when it satisfies any of the following criteria:

(a) it is expected to be settled in the company's normal operating cycle;

(b) it is held primarily for the purpose of being traded;

(c) it is due to be settled within twelve months after the reporting date : or

(d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could at the option of the counterparty, result in its settlement by the issue of equity instruments do not effect its classification. All other liabilities shall be classified as non-current.

**2.07 Property, plant and equipment (PPE)**

Property, plant and equipment are stated at historical cost less accumulated depreciation and cumulative impairment. Historical cost includes expenditure that is directly attributable to acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. Cost includes expenditure that is directly attributable and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Depreciation on assets has been provided on Straight line basis at the useful lives specified in the Schedule II of the Companies Act, 2013 after considering the 5% residual value except mobile phone which are depreciated within 2 years from date of Acquisition. Depreciation on additions/ deductions is calculated pro-rata from/ to the month of additions/ deductions.

An item of property, plant and equipment is derecognised upon disposal. Any gain or loss arising on the disposal of an item of property plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

For transition to IndAS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as of April 01, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost on the transition date.

Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the assets is allocated over its remaining useful life.

(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)

Notes to financial statements as at and for the year ended March 31, 2024

### 2.08 Intangible assets

#### a) Rights under Service Concession Arrangements

Intangible assets are recognised when it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment.

#### b) Toll Projects (Right to charge users)

Toll collection rights obtained in consideration for rendering construction services, represent the right to collect toll revenue from the users of the public service ( road) during the concession period in respect of Build-Operate-Transfer ("BOT") project undertaken by the Company. Toll collection rights are capitalized as intangible assets upon completion of the project at the cumulative construction costs plus the present value of obligation towards negative grants and additional concession fee payable to National Highways Authority of India ("NHAI")/State authorities, if any. Till the completion of the project, the same is recognised under intangible assets under development. The revenue from toll collection/other income during the construction period is reduced from the carrying amount of intangible assets under development.

The cost incurred for work beyond the original scope per Concession agreement (normally referred to as "Change of Scope") is capitalized as intangible asset under development as and when incurred. Reimbursement in respect of such amounts from NHAI/State authorities are reduced from the carrying amount intangible assets to the extent of actual receipts.

Pre-operative expenses including administrative and other general overhead expenses that are directly attributable to the development or acquisition of intangible assets are allocated and capitalized as part of cost of the intangible assets.

Intangible assets that are not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible assets under development".

#### c) Amortisation of intangible assets

Toll collection rights in respect of road projects are amortized over its expected useful life in straight-line method in accordance with IND AS 38 "Intangible Assets".

### 2.09 Leases

The company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### a) Right-of-use assets

The company recognises right-of-use assets at the commencement date of lease (i.e. the date the underlying asset is available for use). Right to use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct cost incurred, and lease payment made at or before the commencement date less any lease incentives received.

Right to use assets are depreciated on a straight line basis over the shorter of the lease term and the estimated useful life of the assets as decided by the company.

If ownership of the leased asset transfers to the company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to note 2.14 for accounting policies of impairment of non-financial assets.

#### b) Lease Liabilities

At the commencement date of lease, the company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments primarily comprise of fixed payments.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduce for the lease payment made.

#### c) Short-term leases

The company applies the short-term lease recognition exemption to its short-term leases of office spaces (i.e. those lease that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments of short-term leases are recognised as expenses on straight line basis over the lease term.

### 2.10 Investments

Trade investments comprise investments in entities in which the Group has strategic business interest.

Investments, which are readily realizable and are intended to be held for not more than one year, are classified as current investments. All other investments are classified as long term investments.

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties. The determination of carrying amount of such investments is done on the basis of weighted average cost of each individual investment.

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirements of cost model.

**VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED**  
**(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)**

Notes to financial statements as at and for the year ended March 31, 2024

**2.11 Borrowing costs**

Borrowing costs include interest calculated using the effective interest method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Consolidated Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for acquisition, construction or production of qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalization of such asset are added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

**2.12 Earnings per share**

Basic earnings per share is computed by dividing the profit / (loss) for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

**2.13 Income taxes**

The income tax expense or credit for the year is the tax payable on current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and provisions are established where ever appropriate on the basis of amounts expected to be paid to the tax authorities.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the entity will pay normal income tax. Accordingly, MAT is recognised as an asset when it is highly probable that future economic benefit associated with it will flow to the entity.

Deferred income tax is provided in full, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However deferred income tax is not accounted if it arises from the initial recognition of an asset or liability that at the time of the transaction affects neither the accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset/liability is realised or settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and deferred tax liabilities are offset, when the entity has a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same authority.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive

income or directly in equity wherein the related tax is also recognised in other comprehensive income or directly in equity.

**2.14 Impairment of assets**

**(a) Financial asset**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

b. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables and

- Other financial assets

**Trade receivable:**

Also the receivable from companies are considered to be good and there are neither been any past instances of default and also management doesn't expect any default in case of Company receivables, therefore Impairment losses are not recognised as per Ind AS 109.

## VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED

(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)

Notes to financial statements as at and for the year ended March 31, 2024

**(b) Non-Financial asset**

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the higher of the fair value less cost of disposal and their value in use. Value in use is arrived at by discounting the future cash flows to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset for which the estimates of future cash flows have not been adjusted. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss.

Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**2.15 Provisions, contingent liabilities and contingent assets**

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that the reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed in notes in case of a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation or a present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed in the financial statements where an inflow of economic benefits are probable.

**2.16 Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**(i) Classification:**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

All financial liabilities are classified as subsequently measured at amortised cost except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives, are subsequently measured at fair value, with any gains or losses arising on re-measurement recognised in profit or loss.

Financial instruments are classified as a liability or equity according to the substance of the contractual arrangement and not its legal form.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company are recognised at the proceeds received, net of issue costs.

**(ii) Initial recognition and measurement:**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial asset and liabilities at fair value through profit & loss) are added to or deducted from the fair value measured on initial recognition of the financial assets or financial liabilities. However, trade and other receivables are recognised on amortised cost.

**(iii) Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost, using the effective interest rate method, if:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category generally applies to trade and other receivables.

## VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED

(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)

Notes to financial statements as at and for the year ended March 31, 2024

(iv) **Financial asset at fair value through other comprehensive income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within business whose objective is achieved by both collecting contractual cash flow and selling asset financial asset and the contractual terms of financial asset give rise on specific dates to cash flows that are solely payment of principal and interest on principal amount outstanding.

(v) **Financial asset at fair value through profit or loss (FVTPL)**

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or fair value through other comprehensive income. Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

(vi) **Derecognition**

A financial asset is derecognised when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and/or receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the statement of profit or loss.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing financial liability are substantially modified, such exchange or modification is accounted as derecognition of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit or loss.

**2.17 Fair Value measurement**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

**2.18 Insurance claims**

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

**2.19 Claims**

Claims against the Company not acknowledged as debts are disclosed under contingent liabilities. Claims made by the company are recognised and accounted as and when the same is approved by the respective authorities with whom the claim is lodged.

**2.20 Commitments**

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

- (i) Estimated amount of contracts remaining to be executed on capital account and not provided for.
- (ii) Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

**2.21 Employee Benefit**

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

**i. Short term Employee Benefit**

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

## VARANASI AURANGABAD NH-2 TOLLWAY PRIVATE LIMITED

(FORMERLY KNOWN AS SOMA INDUS VARANASI AURANGABAD TOLLWAY PRIVATE LIMITED)

Notes to financial statements as at and for the year ended March 31, 2024

The cost of short-term compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

### ii. Post employment benefits

#### (a) Defined contribution plans:

The Company's superannuation scheme and State governed provident fund linked with employee pension scheme are defined contribution plans. The contribution paid/ payable under the scheme is recognised during the period in which the employee renders the related service.

#### (b) Defined benefit plans:

The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities.

#### (c) Other long term Employee Benefit

The obligation for other long term employee benefits such as long term compensated absences, liability on account of Retention Pay Scheme are recognised in the same manner as in the case of defined benefit plans as mentioned in (ii)(b) above.

### 2.22 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

#### i) Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the financial statements

#### ii) Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its financial statements.

#### iii) Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its financial statement

### 42 Financial risk management objectives and policies

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

#### A) Market Risk

The Company's activities expose it primarily to the financial risks of changes in interest rates. There has been no change to the company's exposure to market risks or the manner in which these risks are managed and measured.

##### i) Foreign Currency Risk

Foreign currency risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The company is not exposed to foreign currency risk as it has no borrowing in foreign currency.

##### ii) Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Interest rate risk arises to the company mainly from Long term borrowings with variable rates. The company measures risk through sensitivity analysis. Currently, Lending by Commercial Banks is at variable rate only, which is the inherent business risk.

The company's exposure to interest rate risk due to variable interest rate borrowings is as follows:

Particulars	31.03.2024	31.03.2023	31.03.2022
Senior & Sub Debt from Banks - Variable rate borrowing	117,504.13	124,018.37	133,218.97
Non Convertible Debenture - Variable rate borrowings	24,131.00	-	-

Sensitivity analysis based on average outstanding Senior, Sub-Ordinate Debt & NCD

Interest Rate Risk Analysis	Impact on profit/loss after tax FY 2023-24	FY 2022-23
Increase or decrease in interest rate by 25 basis point (Senior Debt & Sub Debt)	301.90	321.55
Increase or decrease in interest rate by 25 basis point (NCD)	30.16	-

Note: Profit will increase in case of decrease in interest rate and vice versa

##### iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk).

The company is not exposed to price risk as it has no investment.

#### B) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial assets. The company is exposed to liquidity risk due to bank borrowings and trade and other payables. The company measures risk by forecasting cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient fund to meet expected operational expenses, servicing of financial obligations.

The following are the contractual maturities of financial liabilities

As at March 31, 2024	Carrying Amount	upto 1 year	1 - 2 years	2 - 5 years	> 5 years
<b>Non Derivative Financial Liability</b>					
Long-term borrowings including current maturities	147,854.25	18,935.92	23,855.96	89,120.25	15,942.12

Lease Liability	246.38	143.96	88.73	13.68	-
Other Current Financial Liabilities	25,698.58	25,698.58	-	-	-

#### C) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

The company generally does not have trade receivables as collection of toll income coincide as and when the traffic passes through toll - plazas. As on 31st March 2024, Trade receivable is related to ETC, Card swipe & COS/Utility shifting fee receivable from NHAI which generally takes some days to credit in bank accounts. Hence, the management believes that the company is not exposed to any credit risk.

Notes to financial statements as at and for the year ended March 31, 2024

(All figures are in Rs. Lakhs, unless otherwise stated)

**The Company has used the following practical expedients:**

- Contracts where the remaining term was less than 12 months on transition date, the Company did not consider the same for computing its ROU asset and a corresponding lease liability.
- On initial application, Ind AS 116 will only be applied to contracts that were previously classified as leases.
- The lease term has been determined with the use of hindsight where the contract contains options to extend the lease.

The nature of expenses presently presented under rent and lease rent under other expenses as per Ind AS 17 will now be presented as per Ind AS 116 in the form of:

- Amortization charge for the ROU asset
- Finance cost from interest accrued on lease liability

There will be consequent reclassification in the cash flow categories in the statement of cash flows.

Certain office premises and others, which are taken on operating lease will now be capitalised under Ind AS 116. However the impact of adoption of this new standard is not considered material.

The company expects to exercise the extension option for the operating leases and cancellation clause shall not be invoked. Hence the disclosure requirement pertaining to undiscounted potential future rental payment on account of "Extension options expected not to be exercised" are not disclosed.

#### a) Nature of provision

The company is required to operate and maintain the project highway during the entire concession period and hand over the project back to the Authority (NHAI) as per the maintenance standards prescribed in Concession agreement.

For this purpose, a regular maintenance along with periodic maintenances is required to be performed. Normally periodic maintenance includes resurface of pavements, repairs of structures and other equipment and maintenance of service roads.

As per industry practice, the periodic maintenance is expected to occur after 5-7 years. The maintenance cost / bituminous overlay may vary based on the actual usage during maintenance period. Accordingly on the grounds of matching cost concept and based on technical estimates, a provision for major maintenance expenses is reviewed and is provided for in the accounts annually.

During the previous financial year, company has changed the estimate based on techno-economic viability study conducted by consortium lender banks during the FY 2022-23 resulting in major maintenance to be carried out of Rs. 9,483.39 Lakhs and Rs. 9,839.02 Lakhs in FY 2029-2030 and 2030-2031 respectively. Techno-economic viability study approved by lenders in Sep'22.
